DISTRICT HEALTH DIRECTOR

Thad D. King, MPH RS

Dear Parent,

The Chatham Health District and your school district are continually planning for the next flu season. Vaccination is the best way to protect your child from this potentially serious disease and the 2010 vaccine will protect for both the seasonal and H1N1 flu.

We will hold vaccination clinics in district schools and daycares beginning October. These clinics will be held after hours at a school or daycare in your district. Specific dates and times will be determined and conveyed to you before school begins in September.

Your response is vitally important to secure the amount of vaccine that will be needed to prepare for the flu clinic. To receive the 2010 flu vaccine from the Chatham Health District for your child, and/or other family members, you must register each person by both filling out and sending back this form to your school **or** by going our web site at [www.chathamhealth.org](http://www.chathamhealth.org).

Child's Name \_\_\_\_\_

Address \_\_\_\_\_

Phone Number \_\_\_\_\_

Email \_\_\_\_\_

You will be asked to bring your insurance card. If you do not have insurance there will be a fee at the time of the vaccination of \$5.00. If you have any questions please call the Chatham Health District at 860-365-0884. Thank you.
