

The Chatham Health District is committed to protecting the health of its communities. In doing so, we will be offering a summer health education program for interested community groups in our district. The health topics that will be covered are

- Lyme Disease
- Water safety
- Sun exposure
- Food safety in the warmer months
- Rabies

The program will last approx 1 hour and will be free to the public. If your group is interested, please call the Chatham Health District at 365-0884 to set up a time with our health educator.
