

# QUARANTINE GUIDANCE

for **CLOSE CONTACTS** of someone with COVID-19

## Notify your employer/school

about your exposure and verify their quarantine policies

### If you ...

**-are 18 or older and have received all recommended vaccine doses**

(primary series, booster if eligible, additional dose if Immunocompromised)

or

**-are age 5-17 and completed your primary series of vaccine**

- Wear a mask around others for 10 days
- Test at least 5 days after your last exposure

**If you develop symptoms, get tested and stay home**

### If you ...

**-are UNVACCINATED or PARTIALLY VACCINATED**

or

**-are 18 or older, have completed your primary series of vaccine, are eligible for a booster but have not yet received a booster**

- Quarantine for 5 days
- Wear a mask around others for an additional 5 days
- Test at least 5 days after your last exposure

**If you develop symptoms, get tested and stay home**

### If you ...

**tested positive for COVID-19 in the previous 90 days**

- Wear a mask around others for 10 days
- Testing is not recommended

**If you develop symptoms, consult with a healthcare provider**

**Per DPH guidance, if you are NOT FULLY VACCINATED you should also quarantine from sports for 10 days**

- You may be able to return to sports earlier with a negative test collected on day 5 or later.\*

*\*Check with your sports club to see if they allow shortened quarantine with a test*
