Notes from Page 1

***Required per Regulations of State Agencies Section 19a-2a-29 at <https://portal.ct.gov/DPH/Environmental-Health/Recreation/Family-Campgrounds>**

1-Family campground-any location, property, parcel or tract of land under the control of any person, organization, or municipality that contains two or more camping unit sites for use by the public or members of an organization for overnight stays.

2-Primitive campground-a family campground where no facilities or designated camping unit sites are provided for the comfort or convenience of the campers.

3-Semi-primitive campground-a family campground where designated camping unit sites are not provided and where some rudimentary facilities (privies and/or fireplaces) may be provided for the comfort and convenience of the campers.

Camping unit-a portable structure, shelter, or vehicle having a gross trailer area not exceeding 400 square feet designed and intended for occupancy by persons engaged in recreational camping. Camping units include but are not limited to recreational vehicles, recreational park trailers, camping cabins, housekeeping cabins, tents, tepees, yurts and other rental accommodations that have no hard electrical wiring and no permanent drainage plumbing.

Camping unit site-a specific area within a family campground set aside for use by a camping unit.
